

What Makes Us  
Different

*makes us better  
than the rest!*

## What Makes Executive Maids Stand Out Above All Other Local House Cleaning Companies

1. We send a **“PICTURE and BIO”** of your Highly Qualified Cleaning Technicians prior to your first cleaning. **No other cleaning company in our area offers this service.**
2. We quote **“BY THE JOB, NOT BY THE HOUR”**. Most companies price by the hour and will quote you on the low end to earn your business, but when they arrive at your home, they'll ask for more time, which is also more money. **Since our price is FIXED, we never come back and ask you for more money!**
3. We offer our **27-Point SANITIZATION SYSTEM**, which kills 99% of germs and viruses on contact. It kills the common cold along with other viruses that make you sick. **So, we not only clean your home, but we make it healthier too.**
4. We use **ZOOM to inspect your home with your House Cleaning Technicians before she leaves your home after your initial cleaning.** We take a tour of your home asking to see specific areas in your home to make sure your home was cleaned thoroughly. After your initial cleaning, we do random Zoom Inspections everyday with every House Cleaning Technician. This technology makes Quality Control easier and better for everyone. **No other cleaning company in our area can offer you this service.**
5. **We have been donating FREE cleanings to cancer patients since 2011.** We are partnered with the amazing charity, **Cleaning for a Reason.** It is a national organization that connects vetted cleaning companies with cancer patients who are willing to donate their cleaning services for free. If you would like to know more about it or recommend it to someone, contact [www.CleaningForAReason.org](http://www.CleaningForAReason.org).
6. We offer a **100% SATISFACTION GUARANTEE** so if you're not satisfied for any reason, as long as you call us within 24 hours of your cleaning, we will come back to make it right.
